Do you think a statement to the reporter asking about the charity , something like, he paid his debt and is trying to do good, the charity does not use my name. should be applauded. Etc ?

Maybe. Suspect everyone will be reluctant to be comment. There is a statement from Derek Bok who is seen as a moral force saying good to take funds for good causes. Perhaps someone could quote.

Mr Epstein has accepted full responsibility for his actions , served time , provided restitution. He is attempting to give back , quietly, through continuing his philanthropic work for those less fortunate than himself . He remains committed to both philanthropy and funding ground-breaking scientific research.
