Don't follow. 36 years old. Beautiful. Never had a bf who lasted 2 years before.  
Something off re intimacy dependence I think.

If I were you I would prepare a structure that others can swallow. Structure is as important as substance , if not more so. Money into the right entity structure , is much easier that a carelessly put together one. I am happy to help. No money for me. I have enough , I like friends. Like sultan . You can ask . I don't do things for money. , I make my own

Probably not lots for my shrink. I m just frustrated which is a silly basis for doing things. I think she is unlikely to get unconfused and therefore likely always to be frustrating. What am I missing.

If frustrating is defined as doing what you expect. Luckily it will continue. Trick is to what degree

Marvin minks said the way to lose weight was to enjoy feeling hungry. What I mean is that they are all non rational. As you and I are very used to getting our way. It should act as a reminder. That unpredictable is part of life. Mentally Stamping your feet, in a fed up tantrum. . is sort of cute

If you don't have the heart . Make the punishment clear. You need to ask her to do something for you. When she refuses. If she refuses. , you can say , enough is enough. , this isn't a friendship its a one way street. . and you have decided not giving you what you need. So good luck .
