he crime of obstruction of justice occurs when the effort is made to thwart or impede the administration of justice.

"For example, in obstructing justice through coercion, the crime is complete with the

attempt and whether the attempt succeeds in dissuading the witness is immaterial. Thus, if a defendant harasses or physically prevents a witness from appearing or testifying, or attempts to do so, such actions constitute obstruction of justice, regardless of whether the witness ultimately appears or testifies."

Your shrink im sure has motivations to make you calm and knows a great deal more than I about your mental health. However , putting the blame on her for the no deal ie her inability and confusion instead of focusing on what you could possibly do better does not sit well with me. Again he is the professional Im only the friend

1. There is a cultural translation problem. . Jekyll is face. Hyde is real. Not the same as western. She would argue that everyone is part Hyde. But not as accomplished at appearing Jekyll. I would expect more like thurs or fri for contact.
