The funny thing was I was texting you a message and feeling myself ready to start skipping when I tripped. The diet I need is more intellectual challenges , that excercise my imagination. I enjoyed the brief Chinese emperor position of being carried around , but alas. Im still Jewish.. and the bearers were dressed in the wrong colors. . your paper is ..... There have been multiple reported cases of bilateral quadriceps tendon ruptures (QTR) in the literature. The diagnosis of bilateral QTR can sometimes be challenging and the possibility of any further tendon injuries should be carefully assessed
