Following your advice I reached out to the UNSG. He will be in Vienna next week and we both will be in St. Petersburg next week, these are the earliest opportunities. Waiting for his response.

And I have list of existing and potential vacancies.

Best, Miro

He has now regained his confidence and composure! Working very hard, went straight to four hours of tutoring after school yesterday, and same today.

The actor called. He has a close contact within the organization which is now working on it.

Thorbjørn managed to get a majority of the Minister's Council to vote Russia back in COE again. Quite an achievement! The Russland must be very grateful! He also managed to bring the Russian and Polish FMs together after several years of non communication,
