I do , that's the problem. You are a good person. Great potential. /. lazy , you feel more comfortable taking. Rather than giving. Took money from me for dr. But didn't go. . Instead of doing things , talks about doing. And is wasting what could be a great life . . reading but not learning. , learning involves doing , we talked about the difference. . instead of sending a photo of a smiling happy face , you send more words. Instead of dedicating yourself to getting and education you sit in Mexico. Getting sun. I only wish you well. Good luck
