Tom was the the top of the news in china. Xi , believes he has a better way to govern that he will be able to convince the world that the democratic US. Model. DOES NOT WORK. So he will offer an alternative system. Putting the belt road , made in china 2025 . And not allowing different views from that of the party . All purchases can be directed monitored and like a video game , the individual gets social reward points. Very clever

Also keep in mind that right after the burning of kristalnacht , Goebels released his move.
. it was the eternal jew.. / my ex girlfriend used to say she wanted to make a move

taking off only the “ w” and make it the eternal J E
