Before reading the article I thought you were referring to Mia. I got excited for a second. This is the next best thing. Clearly Satchel did not do his research very well. I hope this brings him down as well. Asia Argento is such a scum bag. What a hypocrite! She's trying to bring Harvey Weinstein down and yet at the same time paying off a 17-year-old. There are no words for this. Mr. Bennet sounds like scum just like her. I guess it was a perfect match. They deserve each other. He wasn't complaining and saying no when she was giving him a blowjob and yet when his career was not going the way he wanted now he's calling wolf. Exactly what she did to Harvey Weinstein. They were both out to exploit other people, using the opportunity for financial gain and to get their name out there to try and resurrect their career. I'm glad it blew up in their faces. I hope they get everything they deserve.
