What do you think mean for the future?

Just wanted to know if you want to come over for dinner...

We are watching Sweden play Germany in the World Cup

These guys are like molasses. I did meet with one of the CEOs last week finally, and I'm supposed to meet with two of them this week. They don't really have anything for me and are talking about me doing an MLM or home parties aspect of the business. Doesn't teach me much of anything though. I've been doing lots of research and many phone calls. Any thoughts on your end?
