look , Im the farthest thing from chicken little. - but i like contingency plans. It would be nice if you're not home when and if ,the house comes down. though more when, than if. Im aware of your mantra re - on and off the bus , but at the time , you were not referring to one of those transport buses with bars on the windows.

Since you like specifics, I have one other suggestion. If you could serve the food family style instead of individually plated because some of the stuff I ordered for Woody and some of the stuff I ordered for myself. Thx. Let me know if you need any other specifics. :-)
