I assume you are still close to Ivanka . if so , there are a few of his heavy hitter friends that would like to help (me not included of course). I think a war council. Schwartzman Wynn, Rudy, Lorber Lefrak, you Barrack , should be called in to give suggestions . Weissleburg , Cohen Pecker all together doesn't bode well . I didn't add Bannon as I know Ivanka hates him. though as you said about bedfellows . he would be a good addition if it wasn't for his baggage .
