I'm here until September 17. We don't work on Labor day next Monday so I will most probably be out of town for this long weekend. Don't know where yet, working on it.
When are you back?

Must be autonomic somewhere

Probably a subtraction be something parasympathetic and something sympathetic

Like basal ganglia intrinsic oscillation minus SA node in heart or something

First need to define. . again like all the other senses. It only works in a narrow band.
Auditory visual etc. we don't sense the seed alive - too long. Sounds. Too short . Etc
