Time has to be related to something bigger and constant
So it must be a sense related to light

That will give a clue

What are their senses?

How do they weight them? Make decisions?

So this democrat has a saying: if you bring a mule to the Kentucky Derby you won't get into the starting gate let alone to the finish line. So this mule brought in five racehorses, the top 5 CEO's to donate them time to fix the VA!

Can't reach you.
Just received a call from Switzerland embassy Washington.
They can't proceed my documents because:
1- I'm NY resident, I have to submit here, what I have already did.
2- they will fed ex my docs back to me today.
The person with whom I talked name is [REDACTED]
