    The fun part is there are many many capitals with new instabilities. Most people focused on their own . My view is this is a necessary outcome of a connected (internet) world.

Hi, on the Train to London. Will call when there.
Think it could be useful for you to meet Jean Todt. Sent you his contact info. Call him and
invite him for coffee.
Did not hear from my Swiss guy. Will call him when in London.
