Thanks. Also can you perhaps give me the name and phone number of one or two of the lawyers you have spoken to regarding action down the line. It would really help relieve Nancy's anger at the system if we could just talk to a few of them to see what the issues are.

I personally never want to be consumed by anger and bitterness. I have been screwed over on the past and my philosophy has always been that loving well is the best revenge. But anyway want Nancy to know that we will do something in long run.

Talk later.

You might not agree with me, but thats ok. Lets discuss it. I don't attack you personally , and see no reason that you should attack me. Lets discuss FACTS . You don't like mothers being separated from their children. It happens everyday to people that commit crimes . Everyday . . they are separated . In Chicago those parents are killed in the street. I had sent him an email saying I had some questions about the bill on Thursday. That is when he said we should talk on Monday at 430 eastern.

I can send him a note saying that I want to discuss strategy instead and you will be on the call if you want. My plan was to spend max 30 min on the call. That is \$350.

Ha! Well some people pay for it.

Anyway how about I tell him that we all will be on the call for 10 min to talk about strategy and then you can leave the call and we can spend 10 min talking about the one item on the bill I was going to question.

Or I could tell him we will talk about the bill later.

Today the whole world is the same age. Today is a very special day. There's only one chance every 1,000 years.

Your age + your year of birth, every person is = 2018.

Its a thousand-year wait!
