Greetings Rich,

Is there an understanding of the scope of work between LSJ and Silvio. Do
you know what the 50% deposit is supposed to be, or am I supposed to ask
him?

Rich,
Just spoke to Silvio,,
inflatable Marlin Services, LLC
\$16k approved!

\$16k plus his travel and lodging expense is agreed by Silvio. With following conditions: I hope are acceptable to you?

1- install Labors will be himself Plus 1 helper, he asked if the boat could be out of water in protected / Dry area for tube install? "Large tent or Tarp?"

2- Also, he needs 2 helper guys to assist with install to hold tubes in place? For a couple of hours.

Silvio asked if LSJ is capable of removing the old tubes, since he needs these properly removed for re-manufacturing of the new tubes,. or he is willing to Travel to LSJ to remove tubes, takes 1 day at most to remove the tubes properly.

Rich,
do You and Carlos want to speak direct to Silvio?
He is amending his invoice and will provide new one shortly for your approval.

Thx
Larry

Jeffrey and Anna,

Per your request, please find attached price quote for New Tubes for Sportis boat,,
Marlin Inflatables / Silvio (owner) is the person that is installing new tubes on the Nautica boat,,
Silvio and his team are well-versed on travel installations and willing to travel to St. Thomas for this install.,
Silvio would like us to ship the old tubes from sportis so he could make silhouette exact copies of current tubes.

Quote attached for Jeffrey's review.

Than you,
Larry
