**Re: Major Water Permit Application  
Great St. Jim, LLC**

Dear Commissioner Henry:

Great St. Jim, LLC ("GSJ") wishes to submit the enclosed application for a Major Water Permit for the construction of a temporary barge landing, an access dock, and a combination dock and barge landing. Anthony Richards requested that we direct said application to Michele Baker, Esq. given the pending NOVA against GSJ. We have been trying to get in contact with Atty. Baker, but, as we understand it, she has been out of the office as of late. Therefore, we are sending our application to your office and kindly request that it be directed to the appropriate party/parties. Please find three copies of the application enclosed.

Please do not hesitate to contact us with any questions or concerns.

Very truly yours,

Erika Kellerhals
