Quote Description

Quote to perform service on two CAT C18 gensets. Customer requests a full mechanical and electrical inspection.

0

This quote includes travel and labor needed to complete an inspection in Little St. James.

Customer is responsible of transporting technicians from St. Thomas to LSJ and back every day, customer must provide transportation schedule for approval.

Note: Travel expenses are estimated and costs may vary . If additional time on site is required for reasons outside Rimco's control , time will be billed per Rimco's current rates plus expenses and subject to availability. Services should be requested with at least 1-2 weeks of anticipation, otherwise it will be limited to personnel availability. This quotation is for the inspection only, parts in need of replacement are not included and will have to be quoted separately. Taxes are not included in this quotation.

Item	Description	Quantity	Cost per Unit	Total
