Delivery Option Selection

Kalamazoo products are often heavy and can require specialty equipment and four man delivery. We can help you select the most appropriate delivery option based on your purchase and site characteristics.

- *Curbside Delivery:* Product is delivered at the start of driveway closest to the property access road.
- *Patio Direct Delivery:* Product is delivered to the patio/location of installation and Kalamazoo outer packaging is removed from premises. *Restrictions apply (ex. Distance, steps, lawn, etc.).

Installation Preparation

- Local codes: Homeowner is responsible for installation, required permits and meeting all local codes.
- Gas pressure: Homeowner to confirm installation location has adequate gas pressure and capacity to support the total BTUs of the products to be installed and at the appropriate gas pressure. Natural gas to be supplied at 7 IWC pressure; bulk liquid propane to be supplied at 11 IWC.
- Electricity: Connection to 120V AC, 60 HZ supply required for Kalamazoo grills, refrigeration, ice machines and smoker.
- Construction: All Kalamazoo products are designed for 30 in. depth installation. Measurements for countertops should be taken after product installation is complete. We recommend a one inch overhang with a drip edge on all countertops. The underside of countertops must be sealed to the tops of cabinets with silicone adhesive to ensure a weather-tight installation.
- Serviceability: It is recommended that built-in grills and refrigerators are configured to be easily removed for maintenance and service.

Order Acceptance

- Please check quote for accuracy and completeness against layout drawing (where applicable), including correct hinge direction for any cabinets and refrigerators.
- Order is accepted and confirmed upon receipt of:
 - Signed copy of quote.
 - Signed layout drawing, for any orders including cabinets, or refrigerators.
 - Order confirmation payment.
- Balance payment is due prior to shipment and no later than 30 days from order confirmation.
- Cancellation Fees: Orders cancelled after acceptance are subject to an 18% restocking fee.
- Warranty: Information can be found on our website at [redacted] or by sending an email to [redacted].
- Terms and Conditions: Information is located on our website at [redacted]
