Ms. de Jongh (Cecile),

Thank you for the opportunity to share your generous donation with members of our rescue squad. It is always encouraging that members of our greater community reach out to support St. Thomas Rescue and other First Responders.

Despite significant losses to our squad, professionally and personally, we continue our work throughout the island. Your gift will positively impact the squad's ability to respond as they will be ready to do so by leaving their homes in a better position.

As we move forward in this recovery, please let us know of opportunities that we can expand our service footprint on St. Thomas.

Best Regards,
