New York, NY 10021-4102

Dear Jeffrey:

The Dubin Breast Center (DBC) is now six years old and we are immensely proud of all we have accomplished. Our commitment to providing personalized, comprehensive, and integrative care in a welcoming, private, and reassuring setting remains steadfast and unique. We simply could not do this without your support.

Our annual benefit will take place on Monday, December 11th at the newly renovated Ziegfeld Ballroom in New York City. We are thrilled to be honoring Brooke Morrow, Executive Director of Creator Development, Writer/Publisher Relations at Broadcast Music, Inc. (BMI) and Kara Dioguardi, Grammy Award nominated hit songwriter, producer, music publisher, author, Broadway performer and TV personality. These two incredible women are deeply connected to the mission of the DBC and the communities we serve.

We are also proud to recognize Steven J. Burakoff, MD, who was recently appointed Dean for Cancer Innovation at the Icahn School of Medicine at Mount Sinai. Dr. Burakoff will work closely with School and Health System hospital leaders to identify and support opportunities for innovative cancer research, treatment, and education throughout the Health System. Dr. Burakoff previously served as Director of The Tisch Cancer Institute, where he oversaw the expansion of "bench-to-bedside" medicine, making it possible for breakthroughs in the laboratories to be translated quickly into novel therapeutics for our cancer patients.

The Dubin Breast Center is committed to providing our patients with the absolute highest level of breast cancer prevention, screening, treatment, and survivorship. DBC offers a full range of leading-edge breast health services and a strong focus on the holistic health and wellbeing of individuals with or at risk for cancer. A hallmark of DBC is our commitment to care for patients from every New York City neighborhood and beyond ensuring each patient receives optimal care, regardless of their ability to pay. Our annual Gala is central to making that promise possible.

We have enclosed a response form for your convenience and thank you in advance for your generosity. We look forward to seeing you on December 11th.

Sincerely,
2017 Dubin Breast Center Benefit Co-Chairs
