Subject: Temp Address

Mr. Epstein,

This is a follow up to our previous phone calls and address verification visits. You have changed your permanent address to the US Virgin Islands and have retained a temporary address in Palm Beach County..

If you are going to be in Palm Beach County for more than 5 days please register at the stockade.

If it is going to be less than 5 days a courtesy call or email would be appreciated.

Since you have a temporary address you are registered here until you remove that address from your registration. If you are in Florida during the month of re-registration please go to the stockade. Otherwise you are not required to re-register.

Thank you for your diligence in registering properly it makes law enforcements job easier or more manageable.
