RE: Entity Name: THE ORIGINS PROJECT FOUNDATION INC.
ACC File Number: 1929853
ACC Order Number: 201812130287966
Document Received Date: 12/13/2018

We are pleased to notify you that the Articles of Incorporation - Nonprofit submitted for the above-referenced entity have or has been APPROVED for filing.

If the known place of business of the corporation is NOT in Maricopa County or Pima County, the document must be published. The publication must be completed within 60 days after 12/17/2018, which is the date the ACC approved the document for filing, and must be in a newspaper of general circulation in the county of the known place of business in Arizona for three consecutive publications. A list of acceptable newspapers in each county is available on the ACC website at www.azcc.gov/divisions/corporations/newspaper-list-for-publishing.pdf. You may receive an Affidavit of Publication from the newspaper that may be filed with the ACC, but filing it is not mandatory.

If the known place of business of the corporation is in Maricopa County or Pima County, the Commission has already posted notice of the approved document on its website at <http://ecorp.azcc.gov/publicnotice>. This posting by the Commission satisfies the statutory requirement for public notice, and no further action on your part is required in order to satisfy the notice requirement. You may, however, choose to provide additional public notice by publishing a copy of the approved document in a newspaper. If you choose to publish, the publication must be completed within 60 days after 12/17/2018, which is the date the ACC approved the document for filing, and must be in a newspaper of general circulation in the county of the known place of business in Arizona for three consecutive publications. A list of acceptable newspapers in each county is available on the ACC website at www.azcc.gov/divisions/corporations/newspaper-list-for-publishing.pdf.

IMPORTANT: Corporations are required by statute to file an Annual Report with the ACC once each year. Your Annual Report is due on 12/13/2019 and on the anniversary of that date each subsequent year. Annual Reports can be submitted electronically through the ACC website. It is the corporation's sole responsibility to file its Annual Report on or before the due date each year. If the corporation provided an entity email address, it will receive an email reminder at that email address to file the annual report. Individual users who have created user accounts on our website and who have associated the corporation to that account through the "My Entities" section will also receive an email reminder. Whether or not the corporation or any individual user requests or receives any email reminder, however, if the corporation fails to file its Annual Report by the due date, penalties will accrue and the corporation will be subject to being administratively dissolved.

Corporations are required by statute to notify the ACC immediately, in writing, of any change in address or statutory agent information. Forms are available on the ACC website to make address and statutory agent changes. Failure to notify the ACC of such changes may subject the corporation to being administratively dissolved. A forwarding order placed with the U.S. Postal Service is not sufficient to change addresses on file with the ACC. (Foreign corporations have additional filing requirements under A.R.S. § 10-1504 or § 10-11504 for other types of changes – see the statute for details.)

The Corporations Division strongly recommends that you periodically monitor your corporation's public record, which can be viewed at www.ecorp.azcc.gov. If you have questions or for further information, contact Customer Service at 602-542-3026, or, within Arizona only, 800-345-5819.
