Hi jeffrey-a couple of things when you have a chance:

1. I've sensitized tom, john and rich abt direct apollo interaction but it appears tom has some questions on the prior period filings where he wld like to go to suzanne (on how APO "peopled" their excel files). See email thread below. You comfortable with the direct interaction?
2. I'd like to chat with you abt a couple of future sched c approaches.

John,

I'm not in tomorrow. May we have the call with Suzanne on Monday?
Lisa is out tomorrow also. I will take a look at the revised information over the weekend.

Btw, we have e-file "acceptances" on all of Leon's returns....except
Arkansas and South Carolina – these two states were not rejected, but
are still in process. If rejected, worst case is you have five business days from rejection date
to paper-file.

John,

We have a few questions on the excel files from Suzanne Wong.

Do you mind if we reach out to her directly with our questions?

Also, in yesterday's conference call, Suzanne or someone from Deloitte said they would send corrected/updated information. Have you received anything yet? We have not received the updated information.
