---

Jeffrey

Would you like the Bell 430 to have Permagard applied?

Cost \$5,000

(Cleo's Mechanics have been painting in their hanger, once we get the High Lift stand to replace the lights, I'd like to seal off the gaps by the ceiling to prevent overspray coming into our hanger).

I think Permagard would be a good idea, in my opinion,

Do you approve?

Thx
