spoke to brad, he and i are in total agreement that you need to make some decisions. Your usual procrastination has gotten chronic. . you are only a little ahead of the two years old list of things to get done. you have put the core of your 5 billion dollar operation in the hands of Tom Turin , Rich Joslin, and John Castrucci.

Art space , gift tax, brh, tra, shareholders agreements 8865 , .. regan phaidon, art sales. art partnership; . trust distributions. family meeting, bob cohen. . Health first of course. . sleep study, blood results. .

you said , i have no trouble paying you for value. , I am glad. I am glad you say that but it appears when the time comes you change your mind. you take a 600 million dollar tax savings a 1.5 billion dollar deduction

and pay less than 15 m .(no relation to our agreement which you unilaterally ignored). as I'm not sure how to calculate phaidon as your calculation changed.

you say , I expect after care though not any other professional would listen to that . not Paul Weiss, Akin or Deloitte. you rightly say , you are my friend so i expect some things for free. no question. when it came time to deal with gig. every day for months , middle of the night. i was there. i canceled by summer plan , traveled to vegas. used my emergency cash reserve. though initially fighting you and Karp over whether to tape her threats. I never once said , ok you guys do it your way. I have some unique skills and experience that i have used to help you when in difficulty. the fact that i had forgotten early payments for Carolyn and estate redo . was my error , but did not effect our agreement AT ALL.

your estate needs a re do. boat. regan list of art. what gets sold first, a proper fire drill, the rules on family ltd partnerships Change as of DEC . you need to move on this, same as 1031 one month from now. .
