only change from original to revised was that screens increased in size from 19" and LCD to 24" LED which is to our advantage
total project time 8 weeks (included in that time is 4-6 weeks that is required for Winsted desk - see attached PDF)

Hi Rich,

I'm pleased to present the quotation attached for your review and consideration. The good news is that through some value engineering and additional discounts we are below 55K (pre tax).

We want to confirm that all of the parts and pieces are current and that it provides the best solution. Though I am sending you our revision as we discussed I caution, that in your best interest, given some of the changes that have taken place over the past year we ask that you await our final analysis before moving forward.

Respectfully,

Just want to confirm that next Thursday, the 27th at 10AM works for you and Merwin.

Respectfully,

Jim
