Colostomy- "physically and psychologically devastating".

This being said, a bunch of my friends are senior doctors here so I am receiving great treatment.

Today was a great day- removed the stick from my dick and the tube from my stomach up through my nose.
PROGRESS

I finally got to drink and eat after 5 days of fasting. Tom Kippur will be a breeze this year.

Thank you for asking- it means a lot to me.

Best Regards,

Eric
