Jeffrey:

Due to a bureaucratic mixup, our DOE proposal was 1/4 page too long so it is not being funded.. I was going to ask you whether you might be willing to fund a postdoc position to support me, and also Wilczek when he was here, beginning Sept 2017, for 2 years.. Total needed would be about \$75K/yr..

I also wanted to ask if you would be willing to be the major underwriter for the 10th anniversary Origins extravaganza in April 2018.. Probably \$500K..

saw Noam and Valeria in Boston.. they will spend time in arizona in the winter, and hoping that they will come to the AI workshop we will be hosting Feb 24-25.. You should come too..

Thanks for thinking of this.

Lawrence
