Hi [REDACTED] and Jeffrey,

Attached is a 1999 HUD settlement statement listing [REDACTED] and [REDACTED] as the purchasers of the Arizona residence ([REDACTED] mother passed away on May 5, 2014). [REDACTED] and [REDACTED] also signed the sale contract, as sellers, in January 2015.

The residence which [REDACTED] inherited from his mother was the East 72nd street Coop that [REDACTED] mother owned. [REDACTED] disclaimed his interest in the coop in favor of his children, who received the sale proceeds when the apartment was sold by [REDACTED] estate. See attached disclaimer.

Have a great weekend!
