Subject: Non Symbolic Realty . Beyond The Human Constructs

Date: Mon, 10 Oct 2016 12:36:52 +0000

Attachments: Non_Symbolic_Realty_-_Beyond_The_Human_Constructs.m4a; ATT00001.htm

5 min

Do listen

I found Richard Axel interesting but did not relate - why would neural correlates want to understand how neural correlates work

Why is a physical object (brain) curious about itself ? Richard is a physicalist - believes in matter !

Gromov is fascinating and intelligent beyond imagination

His clarified a lot for me

Check out the audio message

He may not agree but I got what I needed

Love and thanks !
