Jeffrey

Gulfstream palm beach located a local Rental radar that could be installed by 8pm tonight, cost is \$1500 per week rental and send out radar to Honeywell for repair, approximately 2 weeks,

we are still trying to gain Honeywell approval for exchange unit from Teterboro.,to no avail at this time.

If we elect to install rental radar with Gulfstream,

Gulfstream will approach HAPP to cover this rental cost,.

so repair and rental would be no charge.

Should I install loaner radar now? We should be ready to fly by 8:30pm tonight,

Pls advise?

Thx

Larry
