I sampled in Alcantara and the lightest color is too dark. I have another collection coming in. I will advise when I have a valuable option for you.

Some of the suedes with the heavier nap show more hand markings – are you ok with that? It can be brushed but it's not as "clean" of a look as tapis samples sent.

According to the schedule Jay sent, the headliner/psu will be covered in the next phase when the plane returns.

Jeffrey,

Glad you like the Hermes Toile Fine, I agree it's a nice choice.

My apologies about the ultra-suede our vendor had a mix up and the samples didn't leave the Texas warehouse as intended. They will be overnighted to you for delivery tomorrow in Palm Beach. If you will not be there please let me know so I can change delivery address.

The Ultra-suede China White I believe is a great pair to the Hermes Toile Fine (pic attached). That will be coming tomorrow along with additional options.

Jeffrey,

There should be four (4) ultrasuede samples in there. I had them send directly from our vendor as they are dye lot cuttings. Let me check if the others are in a separate shipment.
