Hey Jeffrey! How are you? So I was with the doctor today and she told me that I have to change the antibiotics and I have to take it for 10 days plus 5 days a cream plus at the and of the treatment another pill and than today she did again blood exam because she want to check hormones because in the last exam she saw that I didn't ovulated indeed I don't have my period and than in 20 days she will check if "C" is gone and I should be fine. While the visit she called the dentist to check if it was fine to change and they said that is I am still in pain they should check and so tomorrow morning I am going to see them. The gynecologist was really worried and she told me that it could have been really bad and dangerous foe my health if I waited so it is all thanks to you if now I am going to be fine. Thank you Jeffrey! Xxx
