Brice called me this afternoon and said that he cant find his keys right now for the LSJ Suburban or TWA Suburban and that he needed the truck.

On my way to Home Depot with Jermaine to purchase items for the office and my home. Brice passed us in the Suburban that he claimed he didn't have a key for. I don't have a problem with it. I just don't want to deal with all the BS anymore I'm tired and frustrated now because it just doesn't make sense.

If possible,
Cecile,

Can I please have a Job letter so I can go purchase a vehicle of my own since both my vehicles that I purchased in June 2017 (Truck & Car) was damaged by Hurricane Irma & Maria in 2017
