Subject: letter

Date: Fri, 04 May 2018 05:44:46 +0000

I just picked up a letter from you that had something do with with some forms we had to print up for Millennium, but as soon as I opened it, the letter disappeared. Must have done something wrong. Could you re-send.

Sorry for the nuisance.

Any idea yet whether you'll be in NY on the 12th or after?

Noam
