Frank deposit is hard now. See attached.

Spoke to Frank, he advises the buyer will not pay additional \$25k for engines,

Frank immediately sent me an email with the signed acceptance.

-frank just informed there is additional delay from Buyer of 24 hours, due to a trace of history from one disc in the -219 engine history from last shop visit that has history to Mexicana engine shop from one disc installed, Mexicana shop is no longer in Business.

There are ways around this trace history when something like this happens that Frank is trying to work out,.

I will speak to Manny in the morning to check if he is still ready to buy and preform if that is ok?

Thx

Larry
