Sneaky dog!!! having fun in Paris ?

I just back from 12 hrs conference World Leadership Forum and absolutely trilled and happy I bought such an expensive ticket but defiantly worth. I really enjoyed my day there, very interesting panelists most of whom are ambassadors and other high level officials in foreign affairs (of course not as famous and historically significant as I met through you). We had lunch at Harvard Hall (which i never been to and didnt know it exist) with Ban - Ki _Moon, was so nice to have him there. Here is a quick overview of the conference topic decisions

Sneaky I want to become a member of the Foreign Policy Association.(FPA) It is really amazing organization that will expand my network and professional capacity. I met a few wonderful young rising professionals in foreign affairs who is also members of the FPA. So I looked into a membership and there different options but I am interested in option of "Patron" as it gives an access to all the events, forums and annual dinners. Do you think I could join?;) Here is a link to familiarize with the membership options. Pls let me know. Thank you!
