this bad book now gives us a reason. a review, with some of the basics . he even gets my eye color wrong.

the girls police report transcripts were not under oath , and were taken as they were being threatened with a  
crime. the one young girl said she told everyone she was over 18. . it says each girl knew what to expect  
when they were brought to the house by their friends.  
it has a descipriotn of the garbage man, asked to go through my garbage. almost a chapter devoted to his  
life

i think if you can put this as the lead to your article, it now makes sense to come out  
thoughts?
