Good afternoon

Confirming

I did not ask for draw for dock shelters

Only demo and apron work , which was scheduled before JPK where approached for the following work

Replacement of Library Roof and Guttering

Replacement of Master Bedroom Roof and repair of guttering

GSJ cottage renovation and extension

And this week I asked for numbers for dock shelters

JPK have not produced any numbers yet

So as not hold up schedule EB are scheduled to continue on the simpler Small Shelter and Cutting of dock decking

I get the feeling JPK will be very good for the big stuff with drawing etc.

Considering we only gave EB a weeks notice for Cabana project they have really step up and performed well.

The spread sheet submitted show work completed and projected work
