Jeffrey,

Thank you so much!

I am still stressing out, but I think I am doing much better in general. The MIT affair took a toll.

What I don't quite understand is that Lawrence Krauss does seem to be oblivious to the objections that the world must throw at him in response to his books; is his strategy to deliberately not to listen to preserve his energetic productivity, or is he frying his neat brain with cocaine? He cannot always have been in that mode?

Bests,

Joscha
