Good afternoon

As requested, Review of existing STC_ LSJ Vehicle Fleet and Proposed Recommendations

The biggest issue at this time is the allocation of vehicles, parameters of use and who is responsible for maintaining them.

Attached is a spread sheet showing current vehicles and condition for your review.

Proposed Vehicle Allocation

LSJ

Basic White F250 Extended Cab, 6ft bed, with contractors Rack.
Mike will have access to this vehicle for Personal shopping etc.
To be purchased.

Suburban for Secondary Guest Pickup and Household Shopping.
B&K will have access to this vehicle for Personal shopping etc.

Vehicles allocated to LSJ would be maintained by LSJ

STC

JE Denali
Existing LSJ Suburban or Existing F250

TWA

Existing Suburban.

STC and TWA Vehicles to be Maintained by STC.

The issue of AYH parking allocation would need to be addressed.

For your consideration
