YOUR WAY TO SMARTER AIR TRAVEL

Hello Jeff Epstein,

JetSmarter has transformed the world of private aviation by creating a marketplace that connects you to empty seats and idle planes.

Fast Company put it better than we can:

***“JetSmarter’s tactics are reminiscent of those disrupting other industries. Rather than owning ...a fleet of planes... the company created a sophisticated system for accessing private-jet operators’ schedules and uses GPS to track the available supply of planes”***

To join JetSmarter you need to pay a one-time initiation fee, and then an annual membership charge based on how much you intend to use us.

Depending on your member level, you can take advantage of unlimited complimentary seats on our JetShuttles – pre-set private flights to/from Miami, NY, Chicago, Vegas, London, Paris, Milan and more. Or you can charter full or shared jets with our “Double Guarantee” – guaranteed price and availability. The absolute fee structure in the industry.

But no matter what level you join at, all members get free access to thousands of JetDeals – seats on private flights, at no additional cost – all searchable from our beautiful app. Plus full concierge service for all your needs on the ground and in the air.

Finally... private aviation is now available to much more of the public.

*Best Regards,  
Jim Tornabene*

**BENEFITS INCLUDED  
IN MEMBERSHIP**

CATCH A PRIVATE JET FLIGHT  
TO A NEW DESTINATION DAILY

Purchase of membership is required. Free seats are offered on a first-come-first-served basis and subject to availability. Additional restrictions may apply. JS offers a number of programs including single-entity charters and Public Charters. For single-entity charters, JS will act solely as your agent in arranging the flight. For Public Charter operations, JetSmarter will act as principal in buying and reselling the air transportation. Seats obtained under the Public Charter Program are subject to the Public Charter rules contained in 14 CFR 380. JetSmarter does not own or operate any aircraft. All flights are performed by FAA licensed and DOT registered air carriers. See [REDACTED] for full program details.
