Subject: FW: A6-DFR - C-Check Package / LOPA

Dear Larry

I hope you are ok.

I will try and give you a call this evening if thats ok to discuss about the process of technical side and prebuy. We are preparing a maintenance tracking from Trax and C check package is being prepared as we speak.

Please find attached the LOPA before and after the mod done at L3 in Waco, USA.

regards
Husham Osman
Director Technical
