Jeffrey

attached are photo's of Gravel samples for the EGP for your review

Looking from left to right are

3/8" Sunset @ \$44.00 per ton

3/4" Sandia @ 26.25 per ton

3/4" Santa Fe Brown @ \$51.00 per ton, shipping cost will be higher due to location of supply.

do any appeal, if so which one.?

regards
