If I ask what is beethovens fifth symphony, ? it needs context. ? piece of music? music in three parts. music in c minor. . the Ai minus 1 . was to pose good questions. they also need to be well posed. . what is your pupose today? main purpose.? goal.? what processes will you be using.? do you think you have true control over that purpose or even that answer. . you might first ask, why have a purpose? if im ill, I might say my purpose is to get better. . if im cold , my purpose would be to get warm. . its a system question. is it my mental state. or my physical. state. . both purpose to stay alive and have offspring that survive. .

if you want , why still work? Fun, entertainment. (its a deep concept . of keeping the sysytem healthy by stressing it. engaging it. etc , can be thinkning for some , weight lifting fro others).
how much of your day to you really control? . actions. ? motivations. . do the people around you modify those goals , just by being there. .
were you guys looking for " meaning " .
Did neri stop by?

I really appreciated the time with you and tenzin. .
