Sounds good,.

Rich informs 2pm for suburban,

-I'll deliver to you, then inspect the GYM stereo, I had it working great, both hard wire and Bluetooth, I'll investigate.

-Carlos informed me at 10am he was busy with barge, he finally gave me the address at 4pm today for prop pick up, he said he tried to call the shop all day to confirm props are in stock, I'll Fedex props tomorrow to LSJ.

-Bell Mechanic found faulty #1 Hydraulic pressure sensor to Yaw computer for autoPilot, part arrives tomorrow morn in STT, good fix.

Is 2:30pm ok to come deliver the car, and work gym stereo?

Thx
Larry
