Lets try to get to actions. too much stress . so i can more carefully think of solutions over the weekend , why dont you pose the general questions that you would like to discuss. ( some i understand will need face to face. ) As tuesday is the first day back to work for most. this week will be very busy and then i am off to the middle east. . why not consdier cutting short your holiday by one day, come into the city on monday I will fly up . and we can devote serious uninterrupted time. IF the home front heat is too great. ask Karp to introduce you to Bob cohen. little downside. my elysium/tax proposal has not changed for 18months, START from scratch, you now have 3 more accounants generating lots of heat and little light. the fire drill from last year at this time remains fallow.
