hope you are well. To avoid Apple like tax penalties. you should strongly consider- step 1 moving subs to USVI. it is not considered an inbound transaction for U.S. tax purposes. U,S. law is in agreement , the IRS rules dictates, it is still foreign. . steps 2-5 . are not difficult . -result - in re domestication at greatly advantageous rates. . no need to wait for legislation, and hard to argue as it benefits the population of territories ( americans) . as well as it brings the money back to the " states"
