Dear Larry,
Dear Darren,

I am pleased to send you herewith the LOI signed by our CEO incorporating our proposed changes (kindly refer to the redline PDF which shows the changes vs your LOI for easy reference).

If you are in agreement with the proposed changes, we would appreciate if you could countersign and send it back by return email.

As a matter of transparency, we would like to clarify in advance with you that with regards to "discrepancies" which shall be defined in detail in the purchase agreement, cosmetic and non-airworthy cabin items should be excluded and such items should not be considered as a reason for rejection.

Furthermore, I am pleased to introduce you to the following people in copy of this email who will be working on this project within Royal Jet;

- Mr Rob DiCatri, CEO
- Mr Fahad Wali, Chief Commercial Officer
- Mr Ashok Kumar, CFO
- Mr Husham Osman, Director Technical

If you have any questions, please do not hesitate to call me on my mobile.

We look forward to hearing from you at your earliest convenience in order to move forward with this transaction.

Best Regards
